

MONTEVECCHIO BIANCO

VERMENTINO

A co-fermented field blend of indigenous Italian white varietals with Vermentino being the predominant grape. Fresh and aromatic, this light- medium weighted wine shows notes of jasmine tea, grapefruit and green apple. It is crisp and dry, with a distinctive weight on the palate, lingering chalky, stone fruit finish.

VERMENTINO

MONTEVECCHIO MOSCATO

Refreshing with a slight spritz. Light and fruity, allowing the bright sherbet, elderflower, honeysuckle and pear flavours of the moscato giallo grape to take centre stage. It balances sweetness, acidity and alcohol perfectly.

MOSCATO

MONTEVECCHIO ROSSO

NERO D'AVOLA

A co-fermented field blend of loveable Italian red varietals with Nero d'Avola leading the way. Deep red in colour this wine lends itself to aromas of fragrant cherry and forest fruits that are balanced perfectly with a generous mid-palate and refreshing acidity. This vibrant, medium- bodied wine has plenty of luscious fruit, earthy tannins and appealing freshness, a great all-rounder.
